

**Join the Pro-Choice rally
on Juli 25th in Salzburg!**

**A bus ride from Vienna to
Salzburg is available.**

A feminist day trip to Salzburg.

On the 25th of Juli some christian fundamentalist are planing to rally through the city of Salzburg to proclaim their anti-abortion views. As in the last years their manifestation won't take place without any resistance. Besides other forms of protests, there will be a Pro-Choice demonstration through Salzburg's inner city. This demonstration is going to start at 1 Pm.

This year a bus ride from Vienna to Salzburg will be provided for everybody who wants ot join the feminist actions. We want to make clear that the the womyn's* right to have an abortion is absolutely necessary. Every woman* must have the right to decide over her own body and her own life by herself. That means, if and when a woman* wants to have children must be her own choice. Nobody should interfere in this choice without being asked!

If you want to join us, going to Salzburg, write us an e-mail to pro_choice2014@riseup.net. We are going to leave Vienna on the 25th in the morning and we will be back late in evening. More details concerning the bus ride we can send you per e-mail. For safer communication you can message us encrypted, if you want to. The public-key and further information to past and currant protests you find on the Rosa Antifa's website (raw.at).
